

Need to Get Rid of Large Items?

Republic Services offers bulky item pickup for our residential customers. Residents receive three free bulky items pick ups per year, per unit, with up to five items picked up each time.

Is your item still in good condition?

Consider donating or reselling.

Is your item broken? Save money and help the environment by fixing your broken items instead of replacing them. Get free help repairing bicycles, small appliances and more at a local Fixit Clinic.

Some items are just too large to fit in your trash cart. Republic Services can schedule a free bulky item pickup collected on the day you request with the agent. It's easy to set up.

Items in good working condition or that are recyclable will be donated or recycled.

How to schedule a bulky item pickup:

1. Call **760.332.6464**
2. Provide the agent with your address or account number
3. Set the pickup date and clarify where the item will be placed with the agent
4. Have the items placed at the agreed-upon location before 7 a.m. on the scheduled pickup date
